Reference:-

The Principal, Prohibition Staff College, Madras reports that the imparting of knowledge to the trainees in the college should be done on recognized lines, that notes of lectures have to be prepared in advance and that every attempt should be made to grip the attention of the trainees and to lead them on step by step, as otherwise lectures will be haphazard and discursive. He considers that it is necessary to employ an experienced professor the Teacher's College, Saidpaet, to deliver a series of lectures on the art and principles of teachi g to the Instructional staff in the Prohibition Staff College, most of wem-a whom are retired officers. The Board agrees with him and requests that the Government may instruct the Director of Public Instruction, Madras to depute an experienced professor of the Teacher's College, Saidapet, to the Prohibition Staff College, Madras for the purpose and fix the honorarium that may be paid to the professor during his deputation.
